Yes, I am doing the RA update and regional update. The operational Sit Report is being done in the Farmington ICP and combined with the Durango sit report as I understand it.  
The r9 Farmington ICP is due out every day 10 to 1030.

I have asked for their distribution list.

Are you doing both the sit rep and RAs update?

Yes join the calls at noon, 1 (elected officials) and 2 (media). Please email a summary of the last two calls to region 9 response personnel.

Harry: please join calls also just in case there are detailed questions about sampling results.

I believe Jared will be on all three calls but will confirm.

Thanks Enrique

Anne-Marie is off this weekend, I will be doing sit.

Let me know if you want me to join you on the 12 or 1 pm calls to keep our sit support consistent.

Attached are public notices by New Mexico lifting their ban on irrigation and use of wells. In Colorado, the Animas River was reopened yesterday and the City of Durango announced that they will again draw water from the river for drinking water.

Feel free to share. Laura - please make sure the Navajo IC gets this.
